Plumbing Works

Contractors in: **Water Proofing** (Hot, Cold & Acoustic), Buildings, Tunnels, Bridges Off Shores, Sverage System, Base Lining (Environmental & Land Fill Projects) & All Allied Civil Applications

Paint Work

Contractors in: **Water Proofing** (Hot, Cold & Acoustic), Buildings, Tunnels, Bridges Off Shores, Swerage System, Base Lining (Environmental & Land Fill Projects) & All Allied Civil Applications

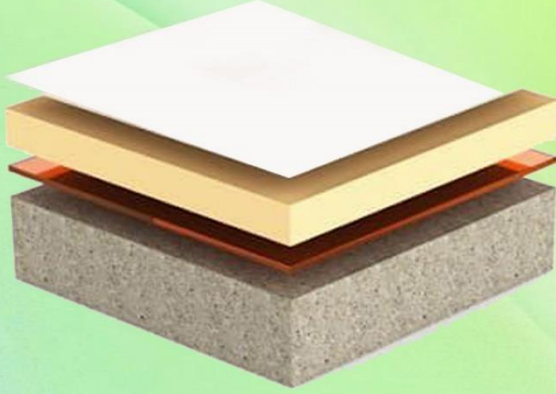

Ceiling Work

Contractors in: **Water Proofing** (Hot, Cold & Acoustic), Buildings, Tunnels, Bridges Off Shores, Swerage System, Base Lining (Environmental & Land Fill Projects) & All Allied Civil Applications

GRP Lining

- ← Gelcoat Finishing - Top Coat
- ← Multi Layer of Mat Fiber
- ← Resin-Prime Coat.
- ← Concrete / Steel Tank Surface.

Water Tank GRP Lining

Manhole GRP Lining

Roof Gutter GRP Lining

Contractors in: **Water Proofing** (Hot, Cold & Acoustic), Buildings, Tunnels, Bridges Off Shores, Sverage System, Base Lining (Environmental & Land Fill Projects) & All Allied Civil Applications

Epoxy Coating

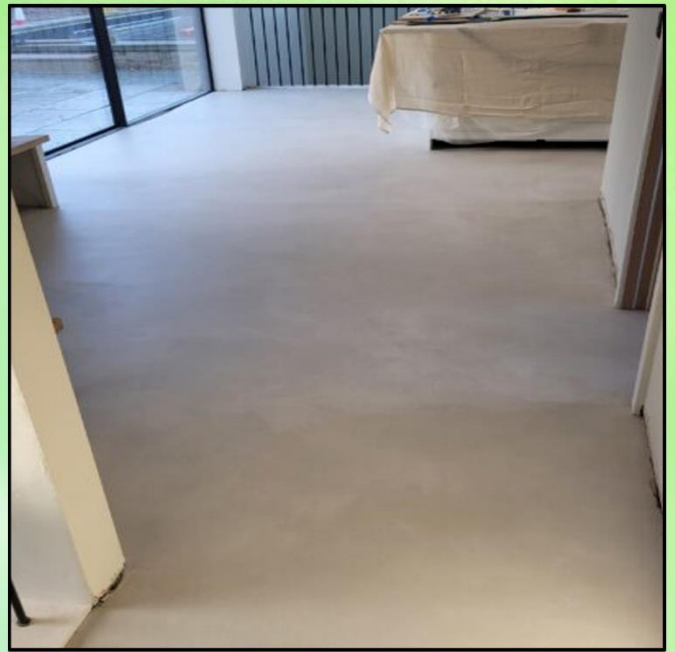

Car Parking

Warehouse & Sheds

Metallic Epoxy

Micro-Cement Epoxy

Contractors in: **Water Proofing** (Hot, Cold & Acoustic), Buildings, Tunnels, Bridges Off Shores, Swerage System, Base Lining (Environmental & Land Fill Projects) & All Allied Civil Applications

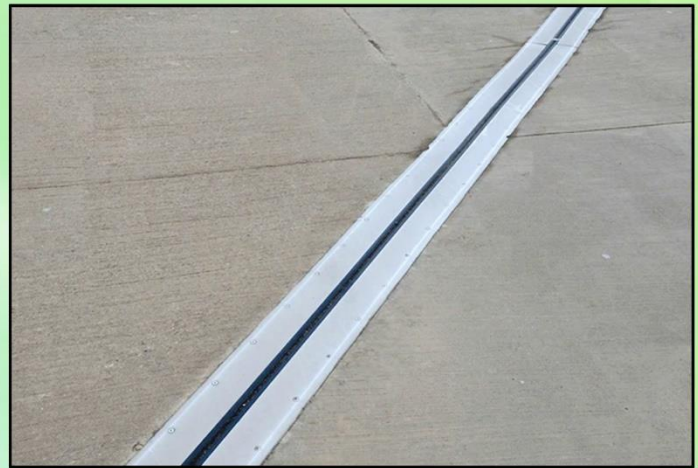

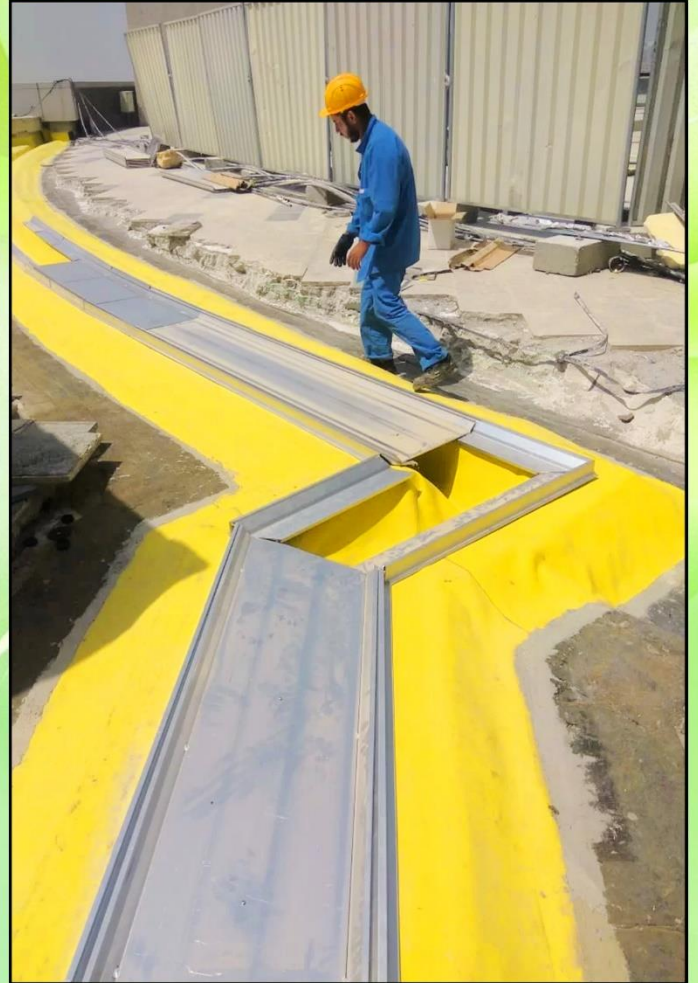

Crack Treatment by Injection

Contractors in: **Water Proofing** (Hot, Cold & Acoustic), Buildings, Tunnels, Bridges Off Shores, Swerage System, Base Lining (Environmental & Land Fill Projects) & All Allied Civil Applications

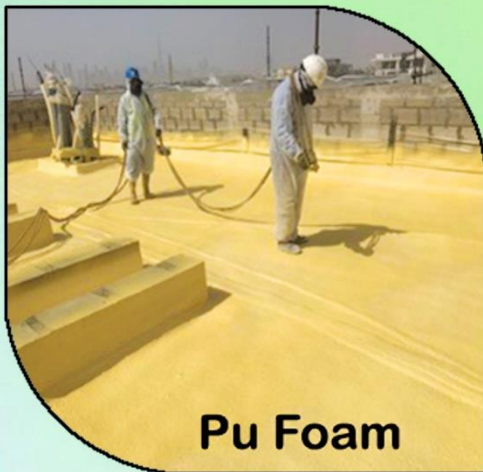

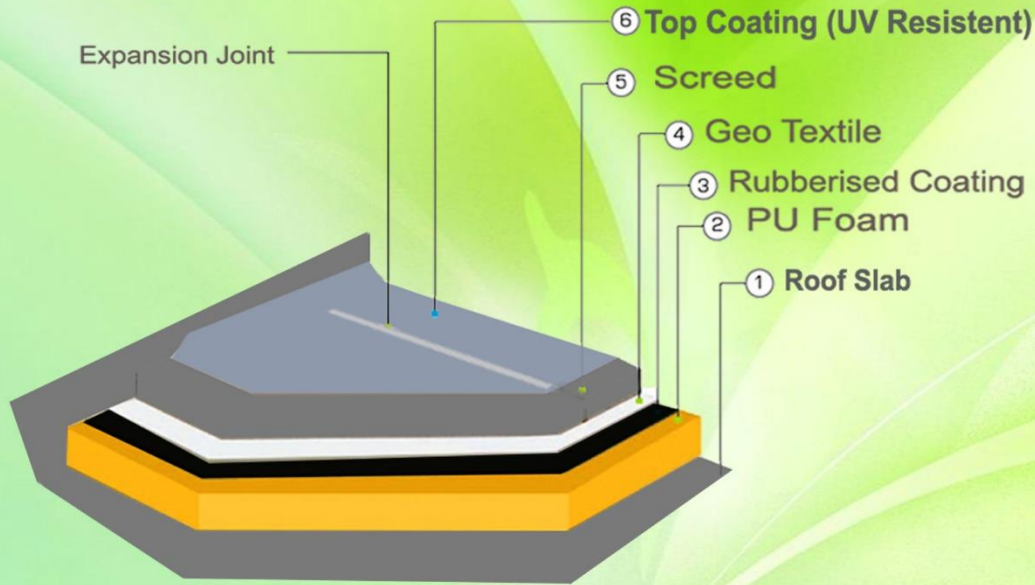

All Types of Wide & Small Expansion Joint

Contractors in: **Water Proofing** (Hot, Cold & Acoustic), Buildings, Tunnels, Bridges Off Shores, Sverage System, Base Lining (Environmental & Land Fill Projects) & All Allied Civil Applications

Combo Roofing System

Waterproofing Membrane

PVC Membrane

HDPE Membrane

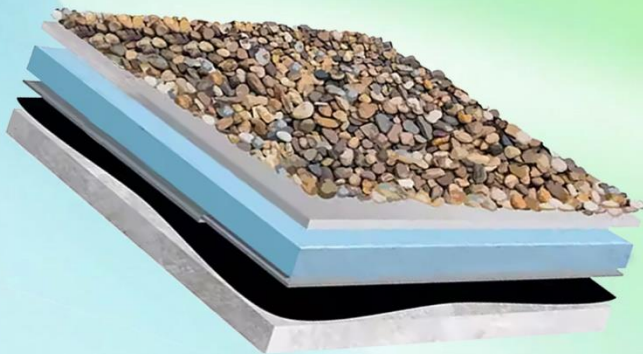

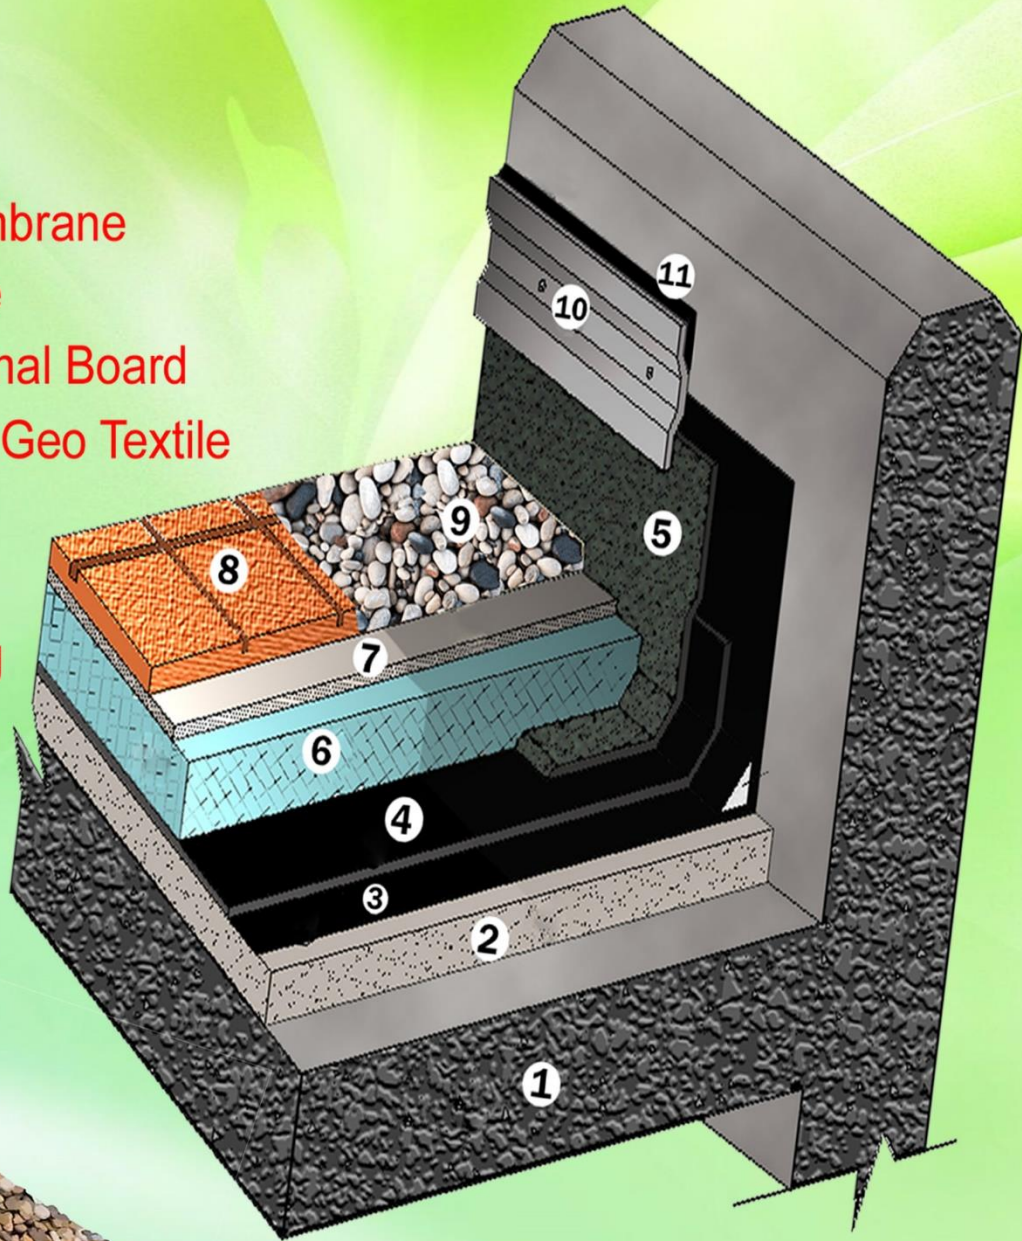

Contractors in: **Water Proofing** (Hot, Cold & Acoustic), Buildings, Tunnels, Bridges Off Shores, Swerage System, Base Lining (Environmental & Land Fill Projects) & All Allied Civil Applications

Light Weight Foam Concrete

Conventional Roofing System

1. Roof Slab
2. Foam Concrete
3. Primer Coat
4. Waterproofing Membrane
5. Mineral Membrane
6. polystyrene / Thermal Board
7. Separation Layer / Geo Textile
8. Tiles
9. Stones
10. Aluminum Flashing
11. Mastic Sealant

Contractors in: **Water Proofing** (Hot, Cold & Acoustic), Buildings, Tunnels, Bridges Off Shores, Swerage System, Base Lining (Environmental & Land Fill Projects) & All Allied Civil Applications

Polyurethane Spray (PU Foam)

Contractors in: **Water Proofing** (Hot, Cold & Acoustic), Buildings, Tunnels, Bridges Off Shores, Swerage System, Base Lining (Environmental & Land Fill Projects) & All Allied Civil Applications

External insulation finishing system (EIFS)

**to reduce the electric consumption up to 45 % and to keep the home cool
Up to 45 % more (Green Buildings System)**
